Christmas Craft Market

Do you make your own craft?

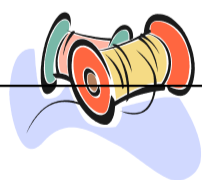

This year we have decided to invite customers who make their own craft items to sell, to participate in our first Christmas Craft Market. The Market will run in our classroom on Wednesday 30 November.

We have just 2 spots left for the Market. You can come for the day starting at 10am and finishing now at 3pm.

To participate please email us at sales@michellesewingbasket.com.au. We need to know which session you prefer and what kinds of craft you make. Please note that only finished craft items may be sold (no fabric, patterns, kits etc).

There is no fee for participating in the market, but space is limited.

Why not support local talent and do some Christmas Shopping at the Christmas Craft Market?
